

2007/2008 EVERGREEN HIGH SCHOOL BAND PARENT SUPPORT INFORMATION

Parent support is the difference between a basic program and one that allows students to have the best experience possible. We are asking each parent to help out in at least three service areas. Please let us know where you would be interested in. Please give us your name, address, phone number and indicate, in each category, areas of interest or skill. By selecting multiple areas, you can help us to be flexible to meet critical needs and to be responsive to your schedule and availability. Key areas where we need the most help are indicated by an asterisk (*).
