

The EHS Band and Colorguard Boosters participate in a fund raising program called "Scrip". Scrip is simply a word that means "substitute money" – in other words, scrip is gift cards and certificates from national and local retailers. In most cases, they are the same gift certificates that you could buy at the store. Many popular retailers participate in the scrip program, including Safeway, Fred Meyer, JC Penney, American Eagle, Starbucks, Burger King, Olive Garden, Lowe's and many others.

These retailers help us raise money by selling gift certificates to our organization at a discount. You buy the certificates from the Band Boosters for full face value, the retailers redeem them for full face value and the Boosters keep the difference as revenue. As an example, Albertson's offers a 4% discount on their certificates. If you purchase \$100.00 of Albertson's scrip, you are able to purchase the full \$100.00 worth of groceries and your student would have \$4.00 posted to his or her account! That may not seem like a huge amount, but consider how much you normally spend at any of the participating retailers over time, and you can see how quickly the money can add up. If you get other family members to also purchase scrip, it can add up even more quickly.

The beauty of the scrip program is that you put your regular household shopping dollars to work. You earn money for your student's account without spending a single additional penny. Just spend your regular shopping dollars using scrip at the stores that participate in the scrip program.

Using Scrip does require some pre-planning and there are some important guidelines that must be followed to successfully participate.

- All Scrip orders must be received by 12:00 noon on specific Mondays, and will be available for pick up on the following Thursday evening. (See schedule below.)
- Orders may be placed in the Band Fundraising Box at the front of the band room or hand-delivered to Lori Browne, Scrip coordinator.
- **Payment must be made at the time scrip is ordered. Checks should be made out to "EHS Band Boosters".**
- If you have orders from multiple people, please combine the orders and submit only **ONE order form** – Keep the forms from others to assist you in sorting for your own deliveries.
- When filling out the order form, use a highlighter to highlight each of the items you ordered -- it makes it much easier to see your order at a glance.
- Put your STUDENT'S NAME in the Name area AND write your name and phone number at the top of the form.
- Put the order form and payment into a fundraising envelope or use your own (#10) long envelope. Also, clearly mark your envelope "SCRIP" and **put your name and phone number on the outside of the envelope.**

If you would like further information, or if you have any questions about the Scrip Program, please call Lori Browne, Scrip Coordinator, at 360-944-5279.
